### Copyright/Licensing Release

By presenting a design for digitizing, the customer is warranting to Donna & Viola's Shirts & Etc. that they, the customer, have received the required clearances and approvals to reproduce the design. The customer accepts all responsibility for any infringements and holds Donna & Viola's Shirts & Etc. harmless against all claims, damages, and liabilities arising from the infringement of any copyright, patent, trademark or license.

I have either created this design, presented for digitizing, or else I have received permission from the owner and/or creator of this design to have it reproduced through the digitizing and embroidery process.
